**FG DEGREE COLLEGE PAC, KAMRA CANTT**

*Editor: Rabbia Zafar*

### **Message from the Regional Director**

Pakistan Aeronautical Complex Kamra stands as a prestigious pillar of the nation's air defense, renowned not only for its strategic importance but also for its vibrant academic environment. Its educational institutions have become a beacon for students across the country, drawn by the promise of knowledge and excellence. Among these, FG Degree College Kamra shines as a leading center of learning that produced remarkable academic results by virtue of its highly qualified faculty devoted to the noble cause. The growing enthusiasm among students to join this institution is indeed heartening. I am delighted that the college has been featured in its newsletter.

The college newsletter offers a vivid glimpse into its dynamic academic and extracurricular pursuits. Of special mention, is the commendable leadership of Dr. Asad Mustafa and the dedication of his proactive team, whose efforts continue to elevate the college profile. I remain confident that, much like the esteemed colleges of Wah Cantt, Kamra College will excel and uphold its standard in both academic and co-curricular arenas.

**Colonel Abdul Wali**

## ADMISSIONS OPEN

FG Degree College Kamra Cantt announces admissions to **1st Year** Pre-Med, Pre-Eng and ICS for students who secured 75% or above marks based on their Class 9 results. As per the policy of the Regional Office Wah Cantt, the FG Education Institutions (FGEI) Wah Region will award the **cash prizes** to the following students:

Rs. 100,000 to students who achieve top positions in the Federal Board.

Rs. 50,000 to students who secure 1050 marks or above.

Rs. 15000 along with a full fee waiver to students securing above 990 marks.

Rs. 10,000 to students obtaining 90% or above marks in the Federal Board's First Year Exam based on their hard work and excellent performance under the *"Seasonal Scholarships"* program, to be held twice a year. This includes full fee waivers as well.

Rs. 50,000 will go to the Top scorers in Pre-Medical, Pre-Engineering, ICS, and Arts

Similarly, STREAMS will receive a cash prize of Rs. 50,000.

Considering these incentives, classes have already commenced in all three colleges of Wah Cantt, while classes at FG Degree College Kamra Cantt will commence very soon.

## Celebration of Youm-e-Tashakur , May 16, 2025.

*Youm-e-Tashakur - Mark-e-Haq* was celebrated at FGDC Kamra with utmost zeal and zest. The objective behind the event was to commemorate the successful conduct of Operation "Bunyan Um Marsoos" and to pay homage to the ultimate sacrifice of Shuhada and Ghazis.

The students and the faculty participated in the celebration with great patriotism. It began with recitation from the holy Quran by first year student Amina Bibi followed by a tribute to the holy prophet PBUH by First year ICS 'B' student Abiha Nihal. Speeches included an extempore speech by ICS 'A' student Amina Arif.

Speeches from the faculty included thoughts of prof. Aftab and Prof. Zil e Huma. At the end the worthy principal Dr. Asad Mustafa enlightened the audience with the connection of the current situation with Iqbal's philosophy of Islam. The event concluded with special prayers and the national anthem.

## Visits of the Regional Director

On May 21, 2025, the distinguished Regional Director of FGEIs (Cantt/Garrison) Wah Region, Colonel Abdul Wali, paid a surprise visit to FG Degree College Kamra Cantt. His presence underscored his unwavering dedication to the institution's progress. During the visit, he conducted a comprehensive review of the ongoing development projects and issued firm directives to ensure their timely completion, reaffirming his commitment to the college's continuous growth and excellence.

This visit marked his second engagement with the college, the first having taken place on December 18, 2024. He was accompanied by the esteemed GSO-I, Lieutenant colonel Rifat Nawaz.

The Principal, Professor Dr. Asad Mustafa, warmly welcomed the guests and provided an insightful briefing on the college's academic landscape, development initiatives, and the key challenges faced by both students and the faculty. He also introduced the honored visitors to the dedicated staff and faculty members of the institution.

### معرکہ بنیان مرصوص

یہ جنگ نہیں جیت ہے احرار کے حق میں  
اک آگ ہے ظلمت ہے یہ کفار کے حق میں  
یہ غزوہء ہند، ہی کا تو آغاز ہوا ہے  
فرمان نبی سچ ہے، جو آثار کے حق میں  
آیا ہے مری دھرتی پہ پھر بدر کا موسم  
اتریں گے فرشتے میرے انصار کے حق میں  
ہم سیسہ پلائی ہوئی دیوار بنے ہیں  
اس پاک وطن، دلبر و دلدار کے حق میں  
جب اپنے شہیدوں کا لبو کام میں آئے  
یہ فتح میں، جیت ہے یلغار کے حق میں  
افواج کے پیچھے ہے کھڑی قوم ہماری  
ہم اپنے جیالوں کے ہیں کردار کے حق میں  
کشمیر ہے شہ رگ تو چلو اس کو بچائیں  
اب موقع بھی ہے وادیء انگار کے حق میں  
ہے وقت کہ ٹکڑوں میں بٹے انڈیا تمہارا  
اک پاک وطن اور ہو سنسار کے حق میں  
"آواز سگان کم نہ کند رزق گدرا"  
بکتے رہو تم اپنے پری وار کے حق میں  
شاعر۔ ڈاکٹر اسد مصطفیٰ

## A Stage Play “Tarbiyat”

The play Tarbiyat by renowned artist Batin Farooqi was recently staged at FG Degree College, PAC Kamra Cantt.

Batin Farooqi, a distinguished figure from the golden era of Pakistan Television (PTV), is an actor who carved out a meaningful path through his work in Urdu, Hindko, and Pashto dramas. At FG Degree College, Kamra Cantt, Farooqi and his team presented the play Tarbiyat, which he himself wrote and directed.

The event was attended by students and faculty members of the college. The central theme of the play revolved around the excessive and harmful use of mobile phones among the youth.

In his concluding remarks, the College Principal Dr. Asad Mustafa thanked Batin Farooqi and his team. He emphasized the importance of the play's message, stating that students must learn from it.

## BEBRAS Certificate & Prize Distribution Ceremony

On 23<sup>rd</sup> January ,2025 a prize distribution ceremony was held in FGDC Kamra in reference to the International Bebras Challenge on Informatics and Computational Thinking Pakistan 2024.

FGDC Kamra achieved distinction among the institutions of FGEIs with the highest number of participants.

The worthy principal Dr. Asad Mustafa distributed participation certificates among all the participants. More than 20 students from ICS group participated in the competition. The top three students received prizes. Thereafter, Prof. Dr. Asad Mustafa distributed mentorship certificates to Ms. Rabbia Zafar and Mr. M Tamour for their commendable efforts and competence as contest mentors and faculty members of the Department of Computer Science.

## Annual Certificate Distribution Ceremony 2025

*"Just as co-curricular activities and sports are important, having passion and enthusiasm for academics is equally vital." — Dr. Asad Mustafa*

A certificate distribution ceremony was held at FG Degree College, Kamra Cantt, on April 14, 2025, to honor students who excelled in co-curricular activities and sports. The event was presided over by the college principal, Dr. Asad Mustafa, who awarded certificates to students for their achievements at both, 'All Pakistan' and 'zonal' levels.

At zonal level, a first-year student earned second position in the national song competition as well as in the Naat competition. Another first-year student secured second place in English extempore speech contest, while yet another claimed second position in Urdu speech competition. Under the mentorship of Professor Muhammad Shafiullah, the college basketball team also achieved second place at the zonal level.

Principal Dr. Asad Mustafa presented certificates to all these students. In his address, he highlighted that co-curricular activities and sports foster a spirit of enthusiasm and determination—the qualities that are equally important for academic success.

### یوم تکبیر-28 مئی

یوم تکبیر نے خواب کی تعبیر ہوا  
شان امہ کی بنا وجہ توفیر ہوا  
جرات و ہمت و عظمت کی کہانی بن کر  
ایک خوش بخت سویرے کی وہ تنویر ہوا  
جوہری بم کا دھماکہ ، تھا انوکھا ایسا  
خوف کی ایک علامت ، پئے تکفیر ہوا  
فیصلہ جس نے کیا اسکی فراست کو سلام  
محسن ارض وطن ، صاحب تدبیر ہوا  
ایک دنیا تھی بجھانے پہ لگی اپنا یہ دیا  
اک ستارہ کوئی سورج سا ہمہ گیر ہوا  
جرات آموز ہوا میرے وطن کا نغمہ  
ساری دنیا میں وہ گونجا ، طبل تکبیر ہوا  
اور دشمن کی ہر اک چال ہوئی پس انداز  
دام تزویر بنا ، برہنہ شمشیر ہوا  
ابھہ نکلا تھا کعبہ کو گرانے پھر سے  
پھر اباہیلوں کے لشکر سے وہ تنخیر ہوا

(شاعر: ڈاکٹر اسد مصطفیٰ)

## FG Degree College, Kamra: A Beacon of Learning

### A Beacon of Learning, A light amid the Winds and Challenges

Pakistan Aeronautical Complex Kamra stands as a center of excellence, its crucial role in safeguarding our cherished homeland affirmed during the recent "Marka e Haq". Thousands of devoted professionals at this esteemed institution deserve our deepest gratitude, heartfelt tributes and countless prayers for their unwavering service.

It's a matter of pride that we have been endowed with a chance to serve this prestigious institution. Nestled within the residential enclave of the Avionics Production Factory (APF), FG Degree College, Kamra stands as a symbol of academic aspiration and dedication.

Since its inception in 2007 the institution has steadily grown, evolving from a modest facility within the FG Boys Public School to its own purpose-built campus. Today, it operates under the stewardship of the FGEI Directorate, Rawalpindi, serving as a vital center of learning in the region.

The college is affiliated with the Federal Board of Intermediate & Secondary Education, Islamabad and the National University of Pakistan for BS programs.

Although BS classes are yet to begin due to infrastructural limitations, the foundation has been laid for future academic expansion.

At Intermediate Level the college offers admissions in Pre-Engineering, Pre-Medical, and Computer Science programs.

Presently a total of 248 students are enrolled. Presently a total of 248 students are enrolled.

Prior to routine admissions process for all students, For the first time, new admissions have been started on 9th-Grade Performance as per the 2025 policy of Regional Office Wah.

The College is equipped with Classrooms, Fully Functional State of the Art Science Laboratories along with a newly Established High Tech Smart Class Room through HEC funding and a Library equipped with books for grooming the students both socially and academically.

A newly constructed Cafeteria is set to open in the coming academic session.

Apart from academics the college has a Basket Ball Court and Lush Green Playgrounds and Sitting Benches with Sheds to provide a conducive environment for mental health of the students.

Examination & Admission office has been set up for smoothly running the student's assessment (Internal Exams), enrolment of students and correspondence with the FBISE and Admission Process.

For Teaching Staff there are Separate Staff Rooms for Male and Female Faculty members.

Set against the backdrop of the Pakistan Aeronautical Complex (PAC), a prestigious formation, the college benefits from a setting known for excellence.

However, the realities of Teaching and Administration at Kamra present unique challenges such as:

The Teaching and Non-Teaching staff, despite their critical roles, face the hardships of Limited Residence, inadequate Medical Facilities and stringent Security Protocols.

Employees are required to obtain security clearance from their hometown Police and District Police Offices (DPOs) for Issuing Entry Passes which often causes significant delays and frustration owing to the cumbersome procedure.

Even after a rigorous recruitment process, most of the faculty members face daily barriers to reach the workplace—damping morale and productivity.

A recent improvement, following communication with PAF's security office, has resulted in annual entry passes replacing the previously issued monthly ones.

However, access remains difficult for parents and prospective students. Student's admission process is slowed by security protocols that require written permission from the principal, leaving visitors waiting at the Colony Gate. Consequently, the College Prospectus and admissions are being distributed outside the PAC Entry Gates instead of the College Campus for Several Years.

Simplifying the Entry System during Admissions, PTMs and Infrastructure work can profoundly enhance the College's functioning. Developmental works delays are often tied to the restricted access of labourers and are restricted to vacate the premises by 4 PM sharply. Such obstacles hamper growth and discourage both Staff and Stakeholders.

Most of the PAF and PAC officers opt to enroll their wards in PAF-run institutions (Fazaia Colleges), Leaving FG Degree College to serve students from the surrounding areas such as Hazro, Kamra Village, Qutba Village and outskirts of the Attock City.

Accommodation for the faculty remains a pressing concern.

PAC authorities do not extend residential (Neither Bachelor nor Family) and Healthcare support to the college community.

Principal Dr. Asad Mustafa has been tirelessly working to address these systemic issues, offering a ray of hope for long-term improvement. In his leadership all his team members and subordinates are enthusiastic to perform to the best of their abilities so that the Institution may thrive and shine. Despite the challenges and scarce resources, every co-curricular activity is given due consideration to fulfill the objectives of learning.

A barrack allocated for FG Staff by the AMF provides a dormitory type of accommodation for Six Lecturers and One Assistant Professor, where the conditions are humble and fail to conform to their professional stature.

Furthermore, the College has seen a rapid turnover of Principals—mostly served for less than Three Years—mainly due to the lack of amenities and housing. Typically posted from Wah Cantt or Rawalpindi. They often request transfers soon after assuming their roles.

Yet, despite these difficulties, FG Degree College Kamra retains a quiet strength in its simplicity. Small in scale but rich in spirit, the campus is enveloped by natural beauty and a calm environment that nurtures learning and inspiration. It is a place where the pursuit of knowledge persists against all odds.

May this institution continue to thrive with dignity and purpose. May its faculty be granted the comfort and support they deserve so that they may impart wisdom with vigor. And may its students rise with brilliance, bringing honor to their families and glory to the nation. It is our firm belief that the future years will see our institution as the epitome of glory.

Iqbal Day was commemorated with reverence in November, 2024.

A plantation drive was carried out in the spring, 2025.
